Our chic and sexy ambiance extends throughout our dining spaces featuring elegant drapery, rustic chains and exquisite hues of red and gold flow seamlessly through our rooms.

Although we're known for our outstanding Asian cuisine, as well as a variety of fresh seafood, sushi and hand cut meat, our Executive Chef and his team can customize any menu per your request. At Enso our main focus is for your wedding event to exceed your expectations. We strive to offer our guests the most elegant experience available in the heart of Uptown Charlotte.
